## REQUESTED SUPPORT

Take a leading role in the future of the Albany Museum of Art. Through funds raised by this annual event, the museum is able to continue serving the community and the region by presenting high quality exhibitions with free admission to all children and adults throughout the year.

The Albany Museum of Art is an accredited art museum by the American Alliance of Museums. The AMA is committed to engaging the public through exhibitions, lectures, educational programs and events.

With your help, the Albany Museum of Art is able to provide a diverse public audience access to original works of art, promoting the quality of life and economic development of this community and region. **Thank you for your support!**
